"My worst day clean is better than my best day using," exclaims Suzanne, as she shares the details of her past use of drugs and other substance abuse. "I was on medication constantly to deal with the side effects and was a chronic pain patient for 35 years. I was sick and tired of being sick and tired. With the support of Catholic Family Services, I was able to finally kick the habit." The Closed Trauma and Sister mentoring program were crucial to helping Suzanne get her life back on track. The positive influence of CFS sistering program supervisor Valerie Anderson and encouragement from other professional staff gave Suzanne the courage to try again. She sheds "tears of joy" as she now speaks on behalf of CFS, sharing the detailed differences Catholic Family Services has made in her life. Over 77,000 individuals received help in getting their lives back on track through ShareLife-supported family services programs.
